BACHELOR OF MUSIC - COMPOSITION

Admission to the Bachelor of Music is intended for especially qualified students who wish to emphasize professional training in composition within a four-year program. Music majors are required to earn a minimum grade of 2.0 in each music course (core and elective) that is to count toward Music degree requirements. A GPA of 2.5 in Music is required for graduation. A minimum of 180 credits is required, of which at least 60 must be taken in departments other than the School of Music, including the Language Skills, Reasoning and Writing in Context, and 20 credits in each of two Areas of Knowledge requirements of the College of Arts and Sciences.

ADMISSION

Application to the Composition Program occurs during the student’s second year of study following successful completion of MUSIC 113/119, 120, 216, 217, and 218. Any student interested in becoming a Composition major is encouraged to meet individually with a Composition Faculty Member.

The Composition Major Program at the School of Music starts at the second year level exclusively. Students interested in the Program should follow these procedures:

1. Complete: a) MUSIC 202/205, b) MUSIC 216-2017-218, and c) MUSIC 120. Completion of these requirements does not guarantee admission. Transfer students must consult with the Undergraduate Advisor for an evaluation of applicable music transfer courses. During their first and second year students interested in becoming Composition majors are strongly encouraged to attend Composers Lab, the weekly meeting of all Composition majors and composition faculty. This class is a 0-credit class that meets every Friday in the academic year, 12:30-1:20 pm, in Brechemin Auditorium, room 126, School of Music.

2. Submit the following materials to the Advising Office two weeks prior to the Audition date: a portfolio of recent compositions, scores and recordings as available, transcripts of all undergraduate course work (at the UW or elsewhere), and a statement of purpose. The statement of purpose should indicate why the student has selected this major and describe the academic coursework and personal experiences and interests that have influenced his/her decision.

3. The Composition faculty committee will make its decision based on the complete application. Additionally, the student may be asked to come for an audition. Once the review process is completed the student will be informed through the Advising Office.
