BACHELOR OF MUSIC - MUSIC EDUCATION, INSTRUMENTAL EMPHASIS

MUSIC EDUCATION WITH TEACHING CERTIFICATION (INSTRUMENTAL/GENERAL EMPHASIS)

Admission to the Bachelor of Music is intended for especially qualified students who wish to emphasize professional training in music education and performance within a four-year program. A minimum of 180 credits is required, of which at least 60 must be taken in departments other than the School of Music, including the Language Skills, Reasoning and Writing in Context, and 20 credits in each of two Areas of Knowledge requirements of the College of Arts and Sciences (see below). Music majors are required to earn a minimum grade of 2.0 in each Music course (core and elective) that is to count toward Music degree requirements. A GPA of 2.5 in Music courses is required for graduation.

ADMISSION

The major in Music Education at the School of Music is a program leading to a Bachelor of Music Education degree. Upon completion of full-time student teaching, students will also receive certification to teach music (grades K - 12) in the State of Washington. Students interested in pursuing the Music Education major should follow the procedures outlined below:

1. Achieve music major status by successfully completing a School of Music performance audition. Information regarding audition dates and locations can be found on the School of Music Advising Office website (http://music.washington.edu/advising).
2. Sign up for an audition for admission to the Music Education program. (This audition is separate from the School of Music performance audition.) Auditions are held twice a year, at the end of Spring quarter and just prior to Autumn quarter. The Music Education entrance audition consists of four parts:
   - Performance (5 minutes, maximum) on your principal instrument or voice of a prepared accompanied piece (an accompanist can be provided); also performance of a familiar melody by ear
   - Sight-singing and/or sight-reading melodies
   - Performance of a simple song and a simple harmonic accompaniment on piano
   - An interview consisting of questions relevant to your interests in music teaching and learning among children and adolescents.

For additional information, please contact the Music Education office (206-543-5204) or consult the Music Education web page (http://www.music.washington.edu/areas/music-education).

NOTE: The Music Education entrance audition is open to all music majors during any year of study. Students not gaining admission to the music education program may re-audition.
