"VOYAGE HOME: SONGS OF FINLAND, SWEDEN, AND NORWAY"

People Involved:
Rhonda Kline

A Nordic Homecoming: Rhonda Kline, head of the UW's accompanying program, is a featured pianist on "Voyage Home: Songs of Finland, Sweden and Norway," a collection of Nordic songs performed by soprano Mimmi Fulmer, professor of voice and opera and chair of vocal studies at the University of Wisconsin-Madison. The March 2013 Centaur release is the culmination of years of research and collecting by Fulmer, whose extensive studies in Finland, Sweden and Norway—and at Seattle's Nordic Heritage Museum—unearthed a treasure trove of Scandinavian musical literature previously unknown to most Americans.
